Blaser VINTAGE Softshell Jacket Andy  
VINTAGE look paired with ultimate function: robust softshell jacket and trendy everyday companion in one. Thanks to the outer fabric that is bonded with membrane and fleece, it is breathable, water-repellent and wind-proof. With softly lined stand-up collar, pack-away hood and warming fleece inside on the inserts. Available in two colours.

Blaser Active VINTAGE Trousers  
Active can be taken literally here: Thanks to elastic inserts on knees and back, the Active VINTAGE trousers follow every movement. Now also available in olive mélange.

Blaser Polo Shirt Till
Classic polo shirt with extraordinary details: the double sleeve and hem in olive and orange create a trendy „double layer“ look. The button placket with real horn buttons and the rubberised ARGALI logo on the chest perfectly round off its design.

Blaser Canvas Belt Set
Three in one. Whether driven hunt, raised hide or stalking – the buckle in VINTAGE design with ARGALI embossing can easily be fixed on one of the three exchangeable belt straps in brown, olive and orange. Belt buckle with integrated bottle opener.

SHOES MADE FOR THE OUTDOORS

NEW

Blaser Casual Outdoor Shoes

For a safe and stylish appearance in any terrain – while being surprisingly light-weight. The extra non-slip Vibram® sole prevents slipping on wet, muddy ground. Convenient fit and washable insoles provide maximum wearing comfort.

VIBRAM® SOLE

Stalking on silent soles – the exclusive Blaser boots in three versions are ideal for almost silent stalking. High-quality rubber soles by Vibram® in combination with cushioned, particularly flexible EVA midsoles provide an extremely low-noise rolling movement. Waterproof and breathable thanks to a membrane. Made of chromium-free tanned Perwanger leather.

WINTER

Blaser Stalking Boots "Winter" ❄️🌨️🌨️🌨️🌨️

For the hard use even in adverse conditions. The high shaft and the durable Perwanger leather reliably keep away snow, rain and cold. Shaft height: 16 cm.

SPRING

Blaser Stalking Boots "Spring" 🌱🌱🌱🌱

The light version made of robust Cordura® and leather for the warm season and when weight is paramount. Shaft height: 13 cm.

ALL SEASON

Blaser Stalking Boots "All Season" 🌱🌱🌱🌱

Whether snow, rain or sunshine – the stalking boots "All Season" made of Perwanger leather in matt looks are particularly durable. Shaft height: 13 cm.

Blaser Socks "Allround"

Hard-wearing, quality socks with both thermal and insulating properties. The Airchannel system regulates heat and dissipates moisture.

Blaser Socks "Long"

Long socks that are both warm and practical. Largely prevent heat accumulation and dissipate moisture. With protectors made of Climayarn.

The temperature often fluctuates with the changing of the seasons. The new Blaser Outfits jackets and vests are the perfect clothing for spring and autumn. Their light padding made of down or functional materials, keeps you pleasantly warm on cold days without overheating. In combination with elastic softshell, they move with you and are thus ideal for hunting and other outdoor activities.

Lifestyle | Men

Blaser ACTIVE Primaloft Jacket Peer 🍂 ❄️

A cool design for the transitional period – with stylish Blaser all-over print and highlights in blaze orange. Warming and water-repellent thanks to PRIMALOFT padding and TeflonEcoElite™ finish. Elastic inserts and low weight provide enhanced wearing comfort.

Blaser Softshell Jacket Sascha 🍂 🌧️

TeflonEcoElite™ finish PFC-free – sustainable & high-performing

The water-repellent Teflon EcoElite™ finish is the sustainable further development of the classic PFC-Teflon Coating.

The fabric treatment with the Eco-Finish is environmentally friendly and consists by 60% of renewable, plant-based raw materials. It is three times more durable than other, non-perfluorinated impregnations.

At the same time TeflonEcoElite™ preserves the breathability of the treated outer fabric and provides faster drying, thus offering utmost functionality and wearing comfort.

Protects from cold

RAM WIND-LOCK

Protection from hypothermia is of great importance on the hunt, when phases of extreme physical activity alternate with ones of motionless waiting. RAM WIND-LOCK is laminated directly onto the lining fabric and provides highly effective, breathable protection from the wind.

RAMBRANE

RAMBRANE is the highly effective functional membrane, specially developed for the hunt and for outdoor wildlife observation. It is waterproof, windproof, fully breathable and extremely tough and makes almost no noise. It regulates the climate on the skin, keeping it dry, even under severely wet conditions, together with extreme physical exertion. During phases of less activity, it provides thermal insulation.

RAMshell

RAMshell is based on a three layer system that combines weather protection with breathable comfort. When your body is moving, moisture is transported outwards, keeping your skin dry and your body warm.

RAMTEX

RAMTEX combines a sophisticated appearance with a character both robust, yet light. It appears as a decorative, reinforcing element in high-quality outdoor textiles and possesses the optical allure of suede leather.

The Teflon EcoElite™ finish is the sustainable further development of the classic Teflon coating. The impregnation is water-repellent, preserves the breathability of the outer fabric and thus offers utmost wearing comfort.

Thinsulate offers high and fine fibre density. The air trapped in the fibres ensures good thermal insulation. This breathable and water-repellent material can be washed and cleaned.

The individual fibres are encased in DuPont Teflon, increasing the durability of the woven fabric. The finish on the outer fabric is water and dirt-repellent.

Besides providing perfect thermal insulation, PRIMALOFT is very quiet and water-repellent. Thanks to its low volume, it dries quickly and is thermally efficient.
