GENERAL INFORMATION

GENERAL CONDITIONS OF HUNTING IN HUNGARY:

The hunting guest is obliged to only conduct hunts with local Hungarian hunting guides in Hungary. The hunting guest must strictly follow the instructions of the hunting guide and only bag the game identified and permitted to be shot by the hunting guide.

The harvested trophies have to be presented to the official Trophy Assessment Commission after the hunt and cannot be taken along by the hunter. The trophies are sent to the stated address.

The chargeable weight of the horns respectively antlers, need to be entered into the hunting protocol by the game reserve. If the weight has not been determined in the game reserve, you should be present at the trophy assessment. In case this is not possible, you are obliged to accept and pay the weight of the horns respectively the antlers as determined by the Trophy Assessment Commission.

The harvested and paid trophy is the property of the hunter, except for the game meat, which can be acquired by the hunting guest at an extra charge. The same applies to coats.

The final invoice is based on the completed and mutually signed shooting list according to the respective price list. The tolerance of 15 % for trophy weight estimation by the hunting guide has to be accepted by the hunting guest. For wounded game 50% of estimated trophy weight and/or harvest fee is charged.

The necessary documents, such as shooting list and hunting license, are sent by Blaser Safaris GmbH to the game reserve prior to the hunt.

The hunting guest must possess a hunting license valid in their home country and a European Firearms Pass in which the firearm carried along by the hunter is mentioned. Additionally, the hunting guest is obliged to pay for potential damage caused by him or her. If a trophy is harvested and is declared a new world record by the Trophy Assessment Commission, the original trophy must not be exported from Hungary. In this case the hunting guest receives a replica trophy and has to pay only 50 % of the harvest fee.

HUNTING REGULATIONS

Before the start of the hunt each hunting guest needs to purchase a hunting license for the respective state. This hunting license is organized by Blaser Safaris GmbH. All hunting guests are requested to present a valid hunting license before the start of the hunt.

TERMS OF PAYMENT
